YABTC Agility

Classes are offered in Agility from the starting point through advanced competition classes. We train the handlers to train their dogs, using positive, reward-based techniques, with a step by step approach, where everyone is allowed to progress at their own pace.

Once we start to introduce obstacles, dogs are required to work off leash. Along with Basics for Agility, Intro I & II, Intermediate and Advanced, we also offer Jumpers with Weaves and Handling Skills classes. Dogs should be healthy and not obese.

Our classes are held weekly for one hour and run 8 weeks, unless otherwise noted.

Please contact our agility registrar for more information about current
